Possible Way Financial Reports Turn Into Structural Data Financial Reports

1. Government Financal Reports/ ACFR Based On GASB/State Standards.

ACFR PDF

2. Taxonomy (Dictionary) Of Government Financial Terms And Data Points Developed By GASB, State Agencies, Fed Government Agencies, Other.
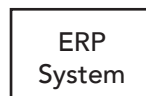

→ Taxonomy Implemented In Structured Data Technology.

structured data

*SEC authorized technology TBD

*Specific data required to be in Structural data format TBD

3. Government Financial Reports Coded As Structural Data.

ACFR PDF → ERP System

ACFR PDF → 3rd Party Vendor

→ Final Structured Data Financial Report

* Nothing in original report has changed, only coded as structured date.

4. Final Structured Date Financial Report Disseminated.
